

ALBOX *for keeps!*

**THE BEST WAY
TO KEEP**

**Filecovers and Compactus Storage
that meet SUSTAINABILITY standards.**

ALBOX have polypropylene Filecovers and Compactus boxes for records storage solutions. These products have been supplied to various Government Departments, and are in use by private Corporate businesses, Museums, Libraries and other historical centres, both nationally and internationally. All ALBOX polypropylene storage products are fully archival, acid free, adhesive free, strong, very durable and 100% recyclable.

Filecovers are available in 2 different sizes, (foolscap and A4), and are made in 0.6mm polypropylene. **Lateral filecovers** are also available (tabbed on one end).

These filecovers are available on request, customised to your requirements, with options including a huge range of colours, printing, clear pockets placed (welded) on covers - just a couple of suggestions for your convenience.
