

ALBOX *for keeps!*

**THE BEST WAY
TO KEEP**

Magazines, Books, Newspapers and Documents

ALBOX has a variety of polypropylene enclosures for storing magazines, books, newspapers and documents such as posters and certificates.

These products have been supplied to various Government Departments, private Corporate businesses, Museums, Libraries and other historical centres, both nationally and internationally.

All polypropylene storage products are fully archival, acid free, strong, very durable and 100% recyclable. They meet **SUSTAINABILITY** standards.

A4 & Foolscap Boxes are an ideal library shelf storage system for magazines, pamphlets, documents and even shoes! Protects contents from dust, light and bugs etc. These boxes can be used instead of the Magazine/Directory Holders.
