SUSTAINABILITY STANDARDS**

THE ALBOX A4 SUSPENSION STORAGE SYSTEM

- The system has been designed for use with the ALBOX Type 1 - A4 archive box.
- The flexible pockets allow optimum efficient use of the interior of the box.
- For sensitive items bubblewrap can be used as the suspension pockets.
- The suspension bars can be written on to provide detailed information re the contents of each pocket.
- The depth of each pocket can be adjusted if required to hold small artefacts e.g. small books, framed photos, souvenirs etc..
- The flexible pockets keep the contents upright e.g. magazines, tax records, folders.
- The system is fully archival – metal free, acid free and adhesive free and recyclable.

**THIS STORAGE SYSTEM SHOULD NOT BE CONFUSED WITH
CONVENTIONAL SUSPENSION FILING PRODUCTS.**
